

Product Data Sheet

Section 1: Product Name and Manufacturer

PRODUCT NAME:	Enerfoam®
SUPPLIER/MANUFACTURER:	Ener.co, LLC 845 Third Avenue, 6th Floor New York, NY 10022 USA (212) 572-0784

Section 2: Description

Enerfoam® is a water-based indoor coil cleanser. As a foam, it degreases and emulsifies matter in an efficient and odorless process that takes only minutes.

OSHA/HAZCOM/HCS STATUS: This material is not considered hazardous by the OSHA Hazard Communication Standard.

HAZARD PICTOGRAMS: N/A

Section 3: Uses

Enerfoam® is designed to work with a 120 VAC spray gun with an on-board 1.5hp air compressor. The foam is applied to indoor coils to improve airflow, air quality and increase efficiency.

Section 4: Product Application

The application of Enerfoam® is the same as for any water-based foam used with a spray gun...

Section 5: Temperature and Equipment

Temperature

Minimum: N/A

Maximum: N/A

Relative Humidity: N/A

Enerfoam® Spray Gun

Powered by 120 VAC electricity

On-board 1.5 hp air compressor

25 ft. (7.6 m) coiled twin-line tubing – Optional extension to 100 ft. (30.4 m)

65° fan tip for increased coverage

Santoprene, Viton, or Kalrez pump seals for chemical compatibility

Section 6: Technology Benefits

ENERFOAM® LEADS TO THE FOLLOWING BENEFITS:

- Improved airflow
- Improved indoor air quality
- Increased system efficiency
- Prolonged asset and equipment life
- Reduced energy consumption

Section 7: Features

ENERFOAM®

- Degreases coils
- Emulsifies organic matter
- Odorless
- Easy to apply
- Effective in minutes
